Rotary Club of Kuala Lumpur DiRaja President RY 2025-26

Good Day My Fellow Rotarians,

It is indeed a great honour and privilege to address our distinguished members in this Directory as we embark on another meaningful Rotary Year — one guided by our timeless motto, **Service Above Self**.

Being a member of the Rotary Club of Kuala Lumpur Diraja since 2010, is not merely a designation but it is a commitment to a noble cause, a fellowship built on compassion and a lifelong journey of giving. Each of us may have joined Rotary for different reasons i.e: to serve our community, to contribute to humanitarian causes, or to find fellowship among kindred spirits but yet we are all bound by one shared purpose that is to make a positive difference in the lives of others.

In Rotary, we abide by **THE 4-WAY TEST** and discover the joy of service, the strength of friendship and the fulfilment that comes from helping those in need. *We enjoy every moment in Rotary* — not only through the bonds we build but through the impact we create together. As Rotarians, our mission is deeply anchored in our **5 core values** — *Service, Fellowship, Diversity, Integrity, and Leadership*. These values define who we are and how we act. They remind us that service is our highest calling along with fellowship is our strength and the diversity enriches our unity, integrity sustains our trust and leadership empowers us to inspire change.

Our community projects remain at the very heart of Rotary. Whether it is empowering youth, advancing education, supporting healthcare, protecting the environment or uplifting the underprivileged — every act of service we render echoes Rotary's global vision of creating hope and transforming lives. As we move forward, let us continue to be guided by Rotary's **7 Avenues of Service: Club Service/Vocational Service/Community Service/International Service/Youth Service/Public Image/Environment Service**. Let us also remain steadfast in our commitment to *support and strengthen our club*. Our focus must be on nurturing membership, fostering fellowship, and developing future leaders who uphold Rotary's principles. The strength of our club lies not in numbers but in the dedication, unity and shared vision of its members.

Equally important is our mission to *enhance Rotary's public image and awareness*. By showcasing our initiatives and sharing our impact stories, we can inspire others to join our cause and contribute to a better, more compassionate world.

Fellow Rotarians, as we commence Rotary Year 2025/2026, let us renew our commitment with enthusiasm, humility and joy. Let us embrace every opportunity to serve, to lead, and to uplift. Let us continue to embody the true essence of Rotary — where *Service Above Self* is not just our motto but a way of life. Together, let us make this year a remarkable one — a year filled with meaningful service, lasting fellowship, and collective achievements that will continue to inspire generations to come. Rotary continues to shine as a beacon of hope, humanity, and harmony in our world.

By the way, please do join our **Presidents/Club's Project Blue Dot** and we need your 100% support.

As Helen Keller so beautifully reminded us,
"Alone we can do so little; together we can do so much."

Yours in Service

THE ROTARY CLUB OF KUALA LUMPUR DIRAJA

A Brief History

The Rotary Club of Kuala Lumpur existed in spirit as early as 1918 when leaders of government, commerce and professions residing in Kuala Lumpur mooted the idea of forming an association to promote community service and inter-community harmony.

This lofty idea gained tremendous support from leaders of the various communities in Kuala Lumpur and the Concord Club, organised on Rotary lines, was formed in the early 1920s.

In 1928, through the visit of Rtn James W Davidson, Rotary International's "Special Commissioner", the Concord Club evolved into the Provisional Rotary Club of Kuala Lumpur on 20th July 1928.

The Rotary Club of Kuala Lumpur was inaugurated on 27th September 1929, with Andrew Caldecott (later Sir Andrew) as the Founder President, David Gammans (later Sir David) as the first Secretary and 29 other Founder members, among whom were famous names such as Raja Tun Uda, Choo Kia Peng (the first Vice President), Loke Choe Thye, Mungo Park, A Viswalingam, Dato' Hamsah Abdullah, Pat Benjamin Tallala, Khoo Teik Ee, Robert Boyd and A. Savage Bailey.

Through an unfortunate administrative mix-up, the Rotary Club of Kuala Lumpur was formally chartered rather belatedly on 15th January 1930, vide Charter No. 3268. By the time the Charter was received membership in the club membership had increased to 65 and amongst them was Past District Governor Tan Sri Dato' Gunn Lay Teik.

The club did not function during the Japanese Occupation, 1942-1946. The first postwar meeting was convened in October 1946, with 33 members. This membership grew to 65 by 1947.

The Rotary Club of Kuala Lumpur has had the honour of sponsoring several Rotary, Rotaract and Interact Clubs. The ten Rotary Clubs it sponsored are Klang Coast (now Klang, 1930), Kuantan (1952/3), Petaling Jaya (1960/1), Pudu (1963/4), Cameron Highlands (Defunct) (1968/9),

Gombak (1970/1), Damansara (1980/1), Kuala Lumpur West (1989/90), Kampung Baharu (1996/97) and Putrajaya (2002).

The Interact Clubs sponsored are St. John's Institution (1962/3), SMK Maxwell 1964/5), SMK Seri Bintang (1971/2), SMK Convent Bukit Nanas (1972/3), SMK Tinggi Setapak, Sekolah Methodist Wesley (Brickfields), SMK Aminuddin Baki, SMK Convent Jalan Peel, Sekolah Sri Garden, Sekolah Alam Shah (since handed over to Pudu Rotary Club) and Sekolah Harapan (now defunct).

Three Rotaract Clubs were sponsored, namely, Rotaract Club of Kuala Lumpur (1967/8), Rotaract Club of University of Malaya (1971/2) and Rotaract Club of Stamford Secretarial Centre (1977/8), which later became the Rotaract Club of Wanita Wilayah. It ceased operations in 1986. Three Youthact Clubs were sponsored, namely Sri Garden School (2001) and SMK Taman Desa (2002) and Alice Smith School (2005).

A Rotary Community Corps (RCC) was established in RY 2002//03 at Kampung Sungei Lui and is still operating today.

Construction of the RM 6.5 mill BRDB Rotary Children's Residence, the club's signature project, commenced in 2012 and was completed in 2015. It currently provides accommodation and services for 69 as directed by the welfare department children but will eventually house 100.

KL ROTARIANS

We Are KL Rotarians
United In Our Call

Called In Service To Our Fellowmen
In A Bond Of Fellowship
The Rotary Ideals
We'll Strive To Keep

We Are KL Rotarians
Together We Stand Tall

Colour, Race Or Creed, It Matters Not
As We Live Our 4-Way Test
He's Truly Blessed
Who Serves The Best

It's Here Everyone Knows Your Name
Here We Are Always Glad That You Came

We Are KL Rotarians
One For All, All For One
So Come Forward All To Volunteer
Lend A Hand And Be A Friend
Providing Service Above Self
Lend A Hand, The Hand Of Rotary
Lend A Hand, The Hand of Rotary

Service Above Self

THE OBJECT OF ROTARY

The Object of ROTARY is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

1. The development of acquaintance as an opportunity for service;
2. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
3. The application of the ideal of service in each Rotarian's personal, business, and community life;
4. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Rotary

The Four Way Test

Of the things we think, say, and do:

is it the
truth?

is it **fair**
to all concerned?

will it build
goodwill
and better friendships?

will it be
beneficial
to all concerned?
